TIGER RAG

Canning won their second game of the season by a convincing margin over the Kalamunda side. However, the double did not occur, when the Reserves were defeated in a tight game.

The League, strongly led by coach Paul Polsen, played a type of football that should place the side once again on the winning list. The team played good play-on football and used handball to great advantage.

Allan Wheelock, playing his first game as rover, fought hard all day as did Craig Nock on the half forward flank. John Hurley playing on the wing gave the Canning forwards plenty of opportunities with strong center-line play.

Other players to show out were Tony Johnson in the ruck, 'Jug' Jones in the back pocket and Don Jupp on the half-back flank.

The Reserves did not look themselves and therefore suffered defeat by the mediocre Kalamunda side. Team-work seems to be lacking in the side.

Mike Worth again played strongly on the half-back flank and Grant Symons seems to have regained his true form. John French, Norm Docking and Ray Hill fought hard all day and on many occasions seem to have carried the side.

SOCIALLY SPEAKING

Don't forget — THE BALL — 12th July — 8 to late. Any problems regarding tickets, seating arrangements or if you have any ideas to make the Ball more successful see Tony Johnson.

Bingo — Every Tuesday and Thursday Nights, Queens Park Hall.

Players, supporters and friends — a date to remember — 13th June — watch the notice board for further information.

Let's hope the League can make it two in a row and the Reserves, their second win against Armadale.

THE TIGER

WICK'S WEEKLY

It is hoped that after last week's break from competitive football, all players are geared in the right frame of mind today to attack the Maddington Bulls and bring home a Big Double.

The previous week's games at Armadale resulted in two resoundingly wins and it was good to see the league side fire again after several mediocre displays.

BEST PLAYERS LEAGUE: Doug Backhouse, Wayne Hill, Greg Narrier.
BEST PLAYERS RESERVES: Ray Shepherd, Tom Quinn, Gary Fry.

100th GAME

Today marks the appearance of Brian Thompson's 100th League Game for the Kenwick Royals. This is Brian's sixth season with the Royals and after coaching the senior side for five years, this year he is coach of the Reserves side. Brian won the fairest and best award for the club in 1970 and has been runner-up on three other occasions. He had to wait until this year to be selected in a S.S.M.N.F.L. side and he performed very well in the game against the W.A.F.A. side last Sunday.

It is hoped that all the players get behind Brian today and work together to win four premiership points.

SOCIAL

Last Saturday's South East Asia Cruise raffle resulted in a great success for the club.

1st Prize went to ticket No. 13 — E. Dorizzi.

2nd Prize went to ticket No. 3 — G. Armstrong.

All who attended received a great night and the social committee are to be congratulated for their efforts.

DEMONS DIGEST

'COME ALIVE - IN 75'

Today at Gwynne Park, we are hosts to Canning F.C., the Tigers. If this club is not going to slip back into square one, the Demons must win both games today. They owe it to themselves, their committee, and most important, to their great band of supporters. There is no need to elaborate on this, it speaks for itself.

Last week's games against Kenwick are better forgotten. The Reserves scored 1.3 for the game, a fraction over two points per quarter. When this side accepts that it must be first, and not a spirited second, in every aspect of the game, then they will start winning. The League side is getting to be a first half burner, but a second half freezer. From now on, it will have to be "come on baby, light my fire."

100th LEAGUE GAME TODAY

PETER GAJDA

Congratulations to 'Sneaky' Pete Gajda, on his reaching 100 league games with the Armadale Football Club today. Good luck to you Sneaky, and here's to the next hundred! For the benefit of our following, a background on this fine player. Born: 9.6.52 (23 tomorrow) in Subiaco. Moved to Armadale at the age of seven. Has two brothers, one of whom, Frank, also plays for the club, and two sisters.

Attended Armadale Senior High School. Came through the Club's junior ranks, winning award for best under-18 player to play league football.

Armadale Pharmacy

Mrs. P. LEWIS

For Sporting Medical Needs

Represented the S.S.M.N.F.L. under-18s team. Won trophies for best utility, best position, best team man, and runner-up for fairest and best in the Under-18.

Was coach for the Reserves in 75, was their constant source of inspiration and often did the work of three players.

Follows South Fremantle.

Hobbies include golf, swimming, and pool for which he has won several awards.

Height 5'10", Weight 13 stone, strongly built, left footed, good pace, possesses the most damaging hip charge in the club. Favourite position is half back flank, but can, and does, play anywhere with merit.

Aggressive, never-say-die attitude to the game, could walk into any rugby team.

Earned the name 'Sneaky' for his masterly ability in getting free kicks. If this club had more players of Peter's calibre, reaching the 'four' would be almost a formality.

Let's give Pete a resounding win today, and make his 100th game one for him to remember with pride.

THE HAWKS WILL STRIVE IN '75

The last fixture against Mandurah was played in perfect conditions and resulted in another double to Gosnells. A close game was expected against the Mandurah league side on their home ground and this is what happened.

The game seemed all over at half time with the Hawks holding a lead of 44 points and playing well. Mandurah however, produced a good brand of football in the second half to reduce the margin to 3 goals at the finish. Although never in any danger of defeat the Hawks were unable to gain the percentage needed to improve on the premiership ladder.

BEST PLAYERS

ALF OLDENHOF — marked strongly at full back and was the best player afield.

MARK SMYTHE — a tigerish game on the wing.

DALE CHAPLIN — congratulations Dale — a great game at full forward.

Others to play well were Don Sloper, Greg Hambleton and Lumpy Kennington and Dick Morphet.

COACHES COMMENTS: Happy to get the four points.

The seconds game although not a high standard was an interesting hard fought encounter. The kicking for goal was woeful and more concentration is needed in this department if we are to reach the finals. The seconds are now showing the form that enabled them to

defeat Kenwick some weeks ago and appear certain contenders for a place in this years final round.

BEST PLAYERS

JIM MILLSTEED — back to his best C.H.B.

JOHN LENNON — a dashing display the wing (his ball handling was brilliant).

BRIAN ANTUNOVICH — Tuna's big asset is that he can make friends with opposition supporters.

A typical game from "Mr. Popularity." Others to play well were T.B., Peter Millstead, Kevin Little and Peter Reynolds.

COACHES COMMENT: Happy to get the four points.

COMMENT

The performance of the club in recent weeks has given our local critics a chance to come out and show their value. Results speak for themselves and it is a fact that the league side is equal top of the premiership table while the seconds are final four contenders for the first time in many years. That's not a bad record for a club written off earlier in the season.

This could be a premiership year at Gosnells and it is important for our members and supporters to give Darcy and his players the encouragement they deserve.

Norm B. gave Charlie "the mo" Pollock a scare by forgetting the jumpers on Sunday. Keith Davis however came to the rescue — much to the relief of "the mo."

FOOTNOTE — Congratulations to Percy Garrett on his re-election.

THE KNIGHTS' NOTES

Our victory against Maddington was a great shot in the arm for football in the Kwinana district. The crowd was almost twice as large as our previous best and they gave the club great support throughout the game. While our side continues to play this brand of football our following can only increase.

After a very nervous and tentative first quarter our players all performed brilliantly and every one contributed to the win.

BEST PLAYERS

MURRAY LLOYD — Inspired performance.

DON BASKERVILLE — Another great effort.

BILL HAZELL — As tenacious as ever.

GEOFF GROENENBERG — Reliable defender and brilliant tactical moves.

RON DE BOER — Great determination.

Player of the Week.

Don Baskerville's last Sunday week must have proved conclusively that he is one of the best two or three ruckmen in the competition. Don's displays this year have been consistently brilliant and he must be rated as one of the early favourites for the club fairest and best award.

Don appears to thrive on hard work and he is now receiving solid support from Alan Draggett who is becoming more and more confident each week. This has enabled Don to spend more time in the back pocket where his strong marking has saved Kwinana many times. Then when the chips are down Don really applies pressure in the ruck and creates many opportunities for his small men. Don is never beaten and is an inspiration to all around him.

The reserves were again soundly beaten and their performances have been disappointing. Best players were Ted Riseberry, Murray Hunter and Les Smith.

Tickets for the Colour Television Raffle are selling well. Anyone who hasn't yet brought a ticket or two can do so by seeing any committee man or player.

Quote of the Week: The secret of success is the application of purpose.

BULLDOGS BULLETIN

On May 25th we achieved our third double victory since moving to our new home ground Dunne Park, by soundly beating Thornlie.

The League game, which was evenly contested for three and a half quarters turned into a real thriller.

In the final fifteen minutes of the game Kelmscott turned on an exciting brand of football to come from behind and win by twenty six points.

This is the type of football that wins games and I'm sure this effort really gave our league players the incentive to go on from here.

Once again Kim Turner played four quarters of consistent football, ably supported by Eric Buckingham on the flank. Other good players were Barry Gibson, Ron Higham and newcomer Terry Wade.

The Reserves side again played really well and showed they are a force to be reckoned with.

With players contributing in all positions on the ground they proved too strong for Thornlie. It's very heartening to see our big band of reserves players getting behind their coach Peter Edwards.

Best players were Kerry Pearce, Alan Mitchell, Alan Scarl and Neville Rose.

Our congratulations to Alec Creyk on the achievement of his one hundred games for the club. Well done Alec.

Also congratulations to the players who were selected for the combined side. We know you will do us proud.

This week we say goodbye to two great club members, Pauline and Graeme Smith. We all wish you and your family every success in your new venture.

Members and supporters are reminded that Bingo starts on Wednesday, June 4th at our new clubrooms, the Cabaret on Saturday, 7th June, Kelmscott Hall.

Looking forward to meeting and beating Kwinana.

"THE BULLS ROAR"

In spite of a decisive 22 point lead at quarter time, the Bulls, in their last League fixture, were unable to capitalise, and suffered their first defeat at the hands of a very determined and spirited Kwinana.

The first quarter started at a blistering pace and we saw the Bulls draw first blood within one minute when Jim Butler steered his first goal through. Within 15 minutes he had added another two and with Colin Marshall, Noel Knight, Dennis Cometti and Jim Di Carlo all dominating the Bulls completely steam-rolled Kwinana. However this was to change, as Kwinana lead by Geoff Groenberg who had shifted himself to full back to counter Jim Butler, were quick to answer the challenge and in the second quarter added 10 goals, to turn three points up at the long break.

It was in this quarter that the Bulls cracked and we found many players content to run second and not prepared to use their bodies to protect their own players. Apart from Noel Knight who was dominating the centre, Jim Di Carlo who took many heavy knocks when he could have been protected by bigger players, and Ross Palmer, it was difficult to find good players for the half.

Although we had 75% of the play in the third quarter, we saw many opportunities go begging as our half forward line were completely shut out, and with Jake Butler being effectively blanketed our players were content to blaze away as individuals and forgot about team football. Once again it was Noel Knight and Ross Palmer who showed the desperation needed to keep us in the game and turn 8 points down at three quarter time.

The last quarter was a gem with both sides throwing themselves in and with four minutes to go a soccered goal by Ross Palmer saw the Bulls three points in front. Kwinana quickly replied, however, and the final siren saw them 9 points in front.

BEST PLAYERS: Noel Knight, Ross Palmer, Jim Di Carlo, Colin Marshall and Denis Cometti.

The Reserves ran out comfortable winners by 70 points. Playing spasmodic football they were far too strong for a much improved Kwinana. The highlight of the game was the performance of Russell Atthowe at full forward who booted 9 goals.

BEST PLAYERS: Mick O'Halloran, Russell Atthowe, David Reynolds, Walter Pin and Reg Smith.

JUNIORS

Congratulations are extended to Grant Paskulich who plays his 50th game for the under 12's next Sunday. Grant is only the second lad who has achieved the feat of playing 50 games in the one grade. Jeffrey Boyle is the current holder of the record having played 70 games.

Both players have achieved this distinction over 4 years and with the introduction of the under 10's it is likely that their record will ever be broken. An interesting sidelight is both boys' fathers represented Maddington in Premiership sides.

THANKS

The management committee would like to thank "the behind the scenes men" who unobtrusively go about their work, and in particular, our Club Patron, Jim Miles, Slim Gooch, Steve Jarvis, Doug New and Dave Barnes. It is men like these that help make our club. A sincere thanks to them.
